

<b>FERNS</b>			
<b>PLANT NAME</b>	<b>ULTIMATE HEIGHT</b>	<b>SEASON OF INTEREST</b>	<b>DESCRIPTION (Flower. Foliage)</b>
<b>ASPLENIDIUM (Hart's Tongue Fern)</b>			
Asplenium scolopendrium	90cm	A.Y.R	Rich-green, strap-like fronds. Moist shade (e)
Asplenium scolopendrium 'Angustifolia'	50cm	A.Y.R	Narrow, rich-green, strap-like leaves. Moist shade (e)
Asplenium scolopendrium 'Cristatum'	50cm	A.Y.R	Rich-green leaves with crested tip. Moist shade (e)
Asplenium trichomanes	15cm	A.Y.R	Delicate, dark green fronds and black stems. Moist shade (e)
<b>ATHYRIUM (Lady Fern)</b>			
Athyrium filix-femina	90cm	Spr to Aut	Upright, lacy, pale-green fronds. Moist shade
Athyrium filix-femina 'Frizelliae'	30cm	Spr to Aut	Narrow fronds made up of small, rounded, lacy pinnae. Moist shade
Athyrium niponicum var. pictum	30cm	Spr to Aut	Silvery grey fronds with wine-red midribs. Moist shade
Athyrium niponicum 'Ursula's Red'	40cm	Spr to Aut	Silver fronds with burgundy centre. Moist shade
<b>BLECHNUM (Hard Fern)</b>			
Blechnum spicant	45cm	A.Y.R	Erect, dark green young leaves. Moist shade (e)
<b>CYRTOMIUM (Holly Fern)</b>			
Cyrtomium falcatum	90cm	A.Y.R	Holly-like, dark, glossy green leaves. Dry shade (e)
Cyrtomium fortunei	60cm	A.Y.R	Holly-like, glossy green leaves. Moist shade (e)
<b>DICKSONIA (Tree Fern)</b>			
Dicksonia antarctica	per ft	A.Y.R	Huge fronds. Moist shade preferable but sun tolerant (s/e)
Dicksonia fibrosa	per ft	A.Y.R	Smaller, slower growing tree fern. Moist shade (s/e)
<b>DRYOPTERIS (Male Fern)</b>			
Dryopteris affinis	120cm	Spr to Aut	Pale gold/green leaves, ageing dark green. Sun tolerant (s/e)
Dryopteris affinis 'Crispa Congesta'	30cm	Spr to Aut	Dwarf variety with crisp, congested fronds. Moist shade (s/e)
Dryopteris affinis 'Cristata Angustata'	60cm	Spr to Aut	Narrow, neatly crested leaves. Moist shade (s/e)
Dryopteris affinis 'Cristata The King'	90cm	Spr to Aut	Magnificent, crested, arching fronds. Sun tolerant (s/e)
Dryopteris dilatata 'Crispa Whiteside'	70cm	Spr to Aut	Attractive, crisp, golden-green, wavy fronds. Moist shade.
Dryopteris erythrosora	60cm	Spr to Aut	Attractive bronzed young fronds mature dark green. Moist shade (s/e)
Dryopteris filix-mas	120cm	Spr to Aut	Arching, lance-shaped, mid-green leaves. Moist shade
Dryopteris filix-mas 'Crispa Cristata'	45cm	Spr to Aut	Compact variety with crisped, ruffled green fronds. Moist shade
Dryopteris wallichiana	120cm	Spr to Aut	Yellow-green leaves, maturing dark green. Moist shade

<b>MATTEUCIA (Shuttlecock Fern)</b>			
Matteucia struthiopteris	120cm	Spr to Aut	Upright, fresh green, lacy 'shuttlecocks'. Moist shade
<b>ONOCLEA (Sensitive Fern)</b>			
Onoclea sensibilis	60cm	Spr to Aut	Pink-tinged leaves emerge, turning blue-green. Moist shade
<b>OSMUNDA (Royal Fern)</b>			
Osmunda regalis	180cm	Spr to Aut	Elegant, large, bright green leaves. Moist shade
Osmunda regalis 'Purpurescens'	120cm	Spr to Aut	Young fronds flushed purple. Moist shade
<b>POLYPODIUM</b>			
Polypodium vulgare	30cm	A.Y.R	Narrow, deeply pinnate, leathery, dark green leaves. Sun tolerant (e)
<b>POLYSTICHUM (Shield Fern)</b>			
Polystichum aculeatum	75cm	A.Y.R	Stiff, leathery, glossy green leaves. Sun tolerant (e)
Polystichum munitum	120cm	A.Y.R	Long, mid-green leaves with finely cut pinnae. Moist shade (e)
Polystichum polyblepharum	75cm	A.Y.R	Finely cut, dark green fronds, golden in spring. Moist shade (e)
Polystichum setiferum	60cm	A.Y.R	Soft, delicate, arching, mid-green fronds. Moist/dry shade (e)
Polystichum setiferum 'Congestum'	20cm	A.Y.R	Dwarf, upright fern with dense, overlapping pinnae. Moist/dry shade (e)
Polystichum setiferum 'Dahlem'	75cm	A.Y.R	Narrow, dark green, semi-erect fronds. Moist/dry shade (e)
Polystichum setiferum 'Divisilobum'	60cm	A.Y.R	Strong grower with dense, closely arranged fronds. Moist/dry shade (e)
Polystichum setiferum 'Herrenhausen'	50cm	A.Y.R	Dainty, soft, feathery, dark green fronds. Moist/dry shade (e)
Polystichum setiferum 'Plumosum Densum'	45cm	A.Y.R	Finely divided, heavily congested, overlapping leaves. Moist shade (e)
Polystichum setiferum 'Wollastonii'	60cm	A.Y.R	Long, triangular, lacy, fronds. Moist/dry sun/shade (e)
Polystichum tsus-simense	30cm	A.Y.R	Dwarf variety. Short, dark green fronds, black veins. Moist shade (e)
<b>WOODWARDIA (GIANT CHAIN FERN)</b>			
Woodwardia fimbriata	200cm	A.Y.R	Magnificent large fern with upright fronds

<b>GRASSES</b>			
<b>PLANT NAME</b>	<b>ULTIMATE HEIGHT</b>	<b>SEASON OF INTEREST</b>	<b>DESCRIPTION (Flower. Foliage)</b>
<b>ACORUS (Japanese Sweet Flag)</b>			
Acorus gramineus 'Hakiro-nishiki'	10cm	A.Y.R	Dwarf form of 'Ogon'. Bright golden variegated 'fans' (e)
Acorus gramineus 'Ogon'	30cm	A.Y.R	Bright golden-yellow 'fans' of narrow foliage (e)
Acorus gramineus 'Variegatus'	30cm	A.Y.R	Creamy-white striped 'fans' (e)
<b>AMPELODESMOS (MAURITANIAN REED)</b>			
Ampelodesmos mauritanica	200cm	Spr/Aut	Tall green-purple plumes from grey-green leaves (e)
<b>ANEMANTHELE (PHEASANT'S TAIL GRASS)</b>			
Anemanthele lessoniana	90cm	A.Y.R	Fountains of orange-brown leaves. Bright orange & red in autumn (e)
<b>ARUNDO (Giant Reed)</b>			
Arundo donax	400cm	A.Y.R	Large feature plant with grey-green, bamboo-like foliage (e)
Arundo donax 'Variegata'	240cm	Spr to Aut	Striking, white and green variegated, bamboo-like foliage (s/e)
<b>BRIZA (Quaking Grass)</b>			
Briza media	60cm	Spr/Sum	Green clump with hanging, purplish, oat-like flowers
Briza media 'Russells'	60cm	Spr/Sum	Green/white variegated clump with oat-like flowers
<b>CALAMAGROSTIS (Feather Grass)</b>			
Calamagrostis x acutiflora 'Karl Foerster'	150cm	Sum/Aut	Upright, mid-green leaves. Long lasting, brown, purple-tinted flowers
Calamagrostis x acutiflora 'Overdam'	120cm	Sum/Aut	Upright, green/white variegated leaves. Pink flowers
Calamagrostis brachytricha	120cm	Sum/Aut	Upright, green clump. Purple-red flowers fade to silvery-grey
<b>CAREX (Sedge)</b>			
Carex buchananii	60cm	A.Y.R	Narrow, reddish-brown leaves curling at the tip. Tidy habit (e)
Carex caryophyllea 'The Beatles'	20cm	A.Y.R	Forms a wide 'mop' of narrow, olive-green foliage. Green flowers
Carex chathamica (trifida) 'Chatham Blue'	80cm	A.Y.R	Clump of wide, blue-green leaves. Light brown flowers (e)
Carex comans 'Bronze'	45cm	A.Y.R	Attractive cascade of narrow, bronze coloured leaves (e)
Carex comans 'Copper Fountain'	45cm	A.Y.R	Cascade of narrow, copper coloured leaves (e)
Carex comans 'Frosted Curls'	30cm	A.Y.R	Narrow, arching, silver-green leaves with silvery curling tips (e)
Carex dipsacea	30cm	A.Y.R	Deep bronze-green, orange-tipped leaves. Attractive black flowers (e)
Carex elata 'Aurea' (Bowles Golden)	60cm	Spr to Aut	Bright golden-yellow leaves with a light green edge
Carex flagellifera	45cm	A.Y.R	Narrow, arching, light brown leaves (e)
Carex morrowii 'Fishers Form'	60cm	A.Y.R	Wide, mid-green leaves with cream margin (e)
Carex morrowii 'Ice Dance'	40cm	A.Y.R	Attractive ground cover variety with a clear creamy-white margin (e)
Carex morrowii 'Silver Sceptre'	30cm	A.Y.R	Dense clump of white variegated leaves (e)
Carex morrowii 'Variegata'	40cm	A.Y.R	Dark green leaves with narrow, creamy-white margin (e)
Carex oshimensis 'Evergold' (Old Gold)	30cm	A.Y.R	Attractive clump of green edged leaves, central cream/yellow band (e)

Carex pendula	90cm	A.Y.R	Leathery green leaves. Graceful, long green, pendulous flowers (e)
Carex pendula 'Moonraker'	90cm	Spring	New growth creamy-white, maturing yellow then green (e)
Carex siderosticha 'Variegata'	30cm	Spring	Wide, white-striped leaves are flushed pink at base
Carex testacea	60cm	A.Y.R	Pale olive-green leaves tinged orange-red. Dense clump (e)
Carex testacea 'Old Gold'	60cm	A.Y.R	Pale olive-green leaves with golden tips. Dense clump (e)
<b>CHASMANTHIUM (Spangle Grass)</b>			
Chasmanthium latifolium	100cm	Spr to Aut	Pale green, bamboo-like foliage. Flat, green flowers turn copper-pink
<b>CORTADERIA (Pampass Grass)</b>			
Cortaderia selloana 'Albolineata'	250cm	A.Y.R	White plumes. Silver variegated foliage (e)
Cortaderia selloana 'Aureolineata' ('Gold Band')	250cm	A.Y.R	White plumes. Gold variegated foliage (e)
Cortaderia selloana 'Pumila'	180cm	Sum/Aut	Compact grower with erect, white plumes (e)
Cortaderia selloana 'Rosea'	150cm	Sum/Aut	Compact grower with large, pinkish plumes (e)
Cortaderia selloana 'Sunningdale Silver'	300cm	Sum/Aut	Silvery-white plumes held well above the foliage (e)
Cortaderia selloana 'White Feather' (Argentea)	200cm	Sum/Aut	Silvery-white plumes
<b>CYPERUS (Umbrella Sedge)</b>			
Cyperus eragrostis	60cm	Spr to Aut	Pale green leaves and flower clusters
Cyperus glaber	50cm	Spr to Aut	Dense heads of deep green flowers
<b>DESCHAMPSIA</b>			
Deschampsia cespitosa	60cm	Sum/Aut	Dark green tussocks. Cloud-like, silver-tinted, purple flowerheads (e)
Deschampsia cespitosa 'Bronzeschleier'	60cm	Sum/Aut	Dark green tussocks. Cloud-like, bronze-purple flowerheads (e)
Deschampsia cespitosa 'Goldtau'	60cm	Sum/Aut	Dark green tussocks. Yellow-green flowers mature to straw gold (e)
Deschampsia cespitosa 'Northern Lights'	30cm	Sum/Aut	Dense tufts of green and cream variegated foliage flushed pink (e)
Deschampsia cespitosa 'Tatra Gold'	20cm	Spr to Aut	Fine yellow-green leaves and stems. Tawny coloured flowers (e)
<b>ELYMUS (Wheat Grass)</b>			
Elymus hispidus	60cm	Spr to Aut	Eye-catching metallic-blue leaves. Blue-green flowers turn yellow (s/e)
Elymus magellanicus	35cm	Mid summer	Intense, broad blue leaves (s/e)
<b>ERAGROSTIS (Flying Grass)</b>			
Eragrostis airoides	45cm	Sum/Aut	Soft green hummock. Mass of tiny arching flower spikes (e)
Eragrostis curvula	75cm	Sum/Aut	Narrow, arching foliage. Large, olive-grey seed heads (e)
Eragrostis curvula 'Totnes Burgundy'	75cm	Sum/Aut	Narrow, arching foliage matures . Large, buff seed heads (e)
<b>FESTUCA (Festuca)</b>			
Festuca amethystiana	45cm	Spr to Aut	Dense tufts of soft, fine blue-green leaves. Violet-tinged flowers (e)
Festuca glauca	30cm	Spr to Aut	Fine steely-blue foliage. Blue-green flowers (e)
Festuca glauca 'Blue Fox'	20cm	Spr to Aut	A bright blue grass of tidy habit (e)
Festuca glauca 'Elijah Blue'	30cm	Spr to Aut	A very bright blue grass of neat habit (e)
Festuca glauca 'Golden Toupee'	30cm	Spr to Aut	Unusual yellow-green foliage (e)
Festuca glauca 'Sea Urchin'	15cm	Spr to Aut	Very fine olive-green foliage (e)

<b>GLYCERIA (Manna Grass)</b>			
Glyceria maxima 'Variegata'	75cm	Spr to Aut	Cream and green striped leaves flushed pink in spring
<b>HAKONECHLOA (Hakone Grass)</b>			
Hakonechloa macra	30cm	Sum/Aut	Arching mounds of bright green leaves flushed red in autumn
Hakonechloa macra 'Aureola'	30cm	Spr to Aut	Arching mounds of gold and green leaves flushed red in autumn
<b>HELICTOTRICHON (Blue Oat Grass)</b>			
Helictotrichon sempervirens	120cm	Spr to Aut	An erect clump of blue-grey leaves. Straw coloured flowers (e)
<b>HOLCUS (Yorkshire Fog)</b>			
Holcus mollis 'Albovariegatus'	30cm	Spr to Aut	White/green variegated foliage. Pale green flowers (e)
<b>HORDEUM (Squirrel Tail Grass)</b>			
Hordeum jubatum	30cm	Sum/Aut	Nodding, barley-like, red-tinged, green flowers. Treat as an annual
<b>IMPERATA (Blood Grass)</b>			
Imperata cylindrica 'Red Baron'	60cm	Spr to Aut	Narrow leaves emerge with blood-red tips becoming completely red
<b>JUNCUS</b>			
Juncus effusus spiralis	45cm	A.Y.R	Deep green, spiralling leaves. Brown seed heads (e)
Juncus ensifolius	40cm	A.Y.R	Bright green, iris-like foliage. Ornamental, purple-brown flowers (e)
<b>KOELERIA (Blue Hair Grass)</b>			
Koeleria glauca	25cm	Spr to Aut	Tufts of rich silver-blue leaves. Wheat-like flowers (e)
<b>LEYMUS (Blue Lyme Grass)</b>			
Leymus arenarius	75cm	Spr to Aut	Intense blue-grey foliage. Wheat-like flowers. Rampant spreader (e)
<b>LIRIOPE (Lily Grass)</b>			
Liriope muscari	30cm	A.Y.R	Wide, dark green leaves. Mauve-purple flowers (e)
Liriope muscari 'Big Blue'	45cm	A.Y.R	Wide, dark green leaves. Large, mauve-purple flowers (e)
Liriope muscari 'Gold Banded'	30cm	A.Y.R	Wide, dark green leaves edged bright gold (e)
Liriope muscari 'Monroe White'	30cm	A.Y.R	Wide, dark green leaves. White flowers (e)
Liriope muscari 'Royal Purple'	30cm	A.Y.R	Wide, dark green leaves. Dark purple flowers (e)
Liriope spicata 'Silver Dragon'	30cm	A.Y.R	Bright silver variegated leaves. Mauve-purple flowers (e)
<b>LUZULA (Woodrush)</b>			
Luzula nivea	60cm	A.Y.R	Dark green leaves with silver hairs. White flower clusters (e)
Luzula sylvatica	45cm	A.Y.R	Broad, bright green foliage. Excellent ground cover (e)
Luzula sylvatica 'Hohe Tatra'	45cm	A.Y.R	Broad, yellow-green leaves turn bright yellow in autumn (e)
Luzula sylvatica 'Marginata'	45cm	A.Y.R	Broad, bright green foliage with narrow cream margin (e)
<b>MELICA (Melic)</b>			
Melica altissima 'Atropurpurea'	90cm	Spr/Sum	Pale green leaves. Attractive, hanging purple flower spikelets
Melica ciliata	60cm	Spr/Sum	Narrow, blue-green leaves. Hairy white flower spikes ripen yellow
Melica nutans	30cm	Spr/Sum	Rich green, brown-tipped foliage. Elegant, drooping bead-like flowers

<b>MILIUM (Bowles Golden Grass)</b>			
Milium effusum 'Aureum'	40cm	Spr to Aut	Bright yellow leaves fading to lime green (e)
Milium effusum 'Yaffle'	40cm	Spr to Aut	Bright yellow leaves with white midrib (e)
<b>MISCANTHUS (Silver Grass)</b>			
Miscanthus floridulus	300cm	Spr to Aut	Huge grower. Broad, light green leaves hang from erect stems
Miscanthus sinensis	120cm	Spr to Aut	Narrow, upright leaves with white mid-rib and pale green reverse
Miscanthus sinensis 'Cabaret'	150cm	Spr to Aut	Stunning, wide green leaves, broad white central stripe. Pinky flowers
Miscanthus sinensis 'Cosmopolitan'	200cm	Spr to Aut	Stunning, wide white leaves, deep green central stripe. Copper flowers
Miscanthus sinensis 'Ferner Osten'	150cm	Spr to Aut	Narrow green leaves. Plumes of deep copper red with white tips
Miscanthus sinensis 'Flamingo'	150cm	Spr to Aut	Narrow green leaves. Purple-pink plumes with white tips
Miscanthus sinensis 'Gold Bar'	80cm	Spr to Aut	Small zebra grass with more intense gold banding
Miscanthus sinensis 'Gracillimus'	175cm	Spr to Aut	Very narrow leaves with white stripe along midrib
Miscanthus sinensis 'Graziella'	120cm	Spr to Aut	Narrow leaves, weeping silver plumes
Miscanthus sinensis 'Grosse Fontaine'	250cm	Spr to Aut	A giant fountain of long, broad leaves. Large red flowers mature silver
Miscanthus sinensis 'Kaskade'	180cm	Spr to Aut	Floriferous form with long, hanging plumes of silver and pink
Miscanthus sinensis 'Kleine Fontaine'	150cm	Spr to Aut	Profuse, early flowering variety with red maturing silver plumes
Miscanthus sinensis 'Kleine Silberspinne'	150cm	Spr to Aut	Elegant foliage. Abundance of silver plumes
Miscanthus sinensis 'Malepartus'	150cm	Spr to Aut	Showy, bronze-tinted foliage. Reddish plumes high above the foliage
Miscanthus sinensis Morning Light'	150cm	Spr to Aut	Erect clumps of very narrow, silvery grey-green leaves
Miscanthus sinensis 'Rotsilber'	175cm	Spr to Aut	Bright green leaves, silver midrib. Silver-red flowers. Autumn colour
Miscanthus sinensis 'Strictus'	200cm	Spr to Aut	Upright grower. Bright green leaves, creamy-yellow, horizontal bands
Miscanthus sinensis 'Variegatus'	150cm	Spr to Aut	Narrow, white variegated foliage
Miscanthus sinensis 'Yakushima Dwarf'	90cm	Spr to Aut	Compact grower with pale green leaves. Pinkish-brown flower heads
Miscanthus sinensis 'Zebrinus'	200cm	Spr to Aut	Spreading habit. Bright green leaves, creamy-yellow, horizontal bands
<b>MOLINIA (Purple Moor Grass)</b>			
Molina caerulea 'Edith Dudszus'	90cm	Sum/Aut	Tight clump of green leaves, yellow in autumn. Dark flower heads
Molina caerulea 'Variegata'	60cm	Sum/Aut	Cream variegated leaves. Yellow stems carry purplish flowers
Molina caerulea ssp. arundinacea 'Karl Foerster'	200cm	Sum/Aut	Erect habit. Yellow leaves in autumn. Dark flowers on bright stems
Molina caerulea ssp. arundinacea 'Skyracer'	250cm	Sum/Aut	Widish green leaves, yellow in autumn. Straw coloured flowers
Molina caerulea ssp. arundinacea 'Transparent'	200cm	Sum/Aut	Erect, delicate, straw coloured flower heads on graceful plant
Molina caerulea ssp. arundinacea 'Windspiel'	180cm	Sum/Aut	Erect habit. Yellow leaves in autumn. Dense, dark brown flowers on bright stems
<b>OPHIPOGON (Black Grass)</b>			
Ophiopogon planiscapus 'Black Dragon'	20cm	A.Y.R	Glossy, black, grass-like leaves. Lilac flowers then black fruits (e)
Ophiopogon planiscapus 'Green Dragon'	20cm	A.Y.R	Glossy, mid-green, grass-like leaves. Lilac flowers then black fruits (e)
Ophiopogon japonicus 'Minor'	15cm	A.Y.R	Glossy, dark green, grass-like leaves. White flowers (e)

<b>PANICUM (Switch Grass)</b>			
Panicum virgatum 'Hanse Hermes'	150cm	Sum to Win	Arching habit with blue-green foliage turning purple-red. Red flowerheads
Panicum virgatum 'Heavy Metal'	100cm	Sum to Win	Very upright habit with metallic-blue foliage. Dainty, open flowerheads
Panicum virgatum 'Rotstrahlbusch'	90cm	Sum to Win	Upright habit. Autumn colour moving through yellow and red shades
Panicum virgatum 'Shenandoah'	120cm	Sum to Win	Dark red-tipped foliage turns to burgundy in autumn. Reddish flowers
Panicum virgatum 'Squaw'	70cm	Sum to Win	Upright habit. Red foliage in summer & autumn. Pinkish flowers
Panicum virgatum 'Warrior'	120cm	Sum to Win	Upright habit. Brown-yellow leaves in autumn. Purplish flowers
<b>PENNISETUM (Fountain Grass)</b>			
Pennisetum alopecuroides	60cm	Sum/Aut	Clumps of narrow, mid-green foliage. Pinky-brown, foxtail-like flowers
Pennisetum alopecuroides 'Hameln'	50cm	Sum/Aut	Compact, early flowering form with foxtail-like flowers
Pennisetum alopecuroides 'Little Bunny'	30cm	Sum/Aut	Dwarf variety with fluffy, pinkish-white flowers
Pennisetum massaicum 'Red Buttons'	90cm	Sum/Aut	Mound of green foliage with attractive red flowers
Pennisetum orientale	90cm	Sum/Aut	Violet-pink flower spikes over a long season
Pennisetum orientale 'Karley Rose'	75cm	Sum/Aut	Deep pink flower spikes over a long season
Pennisetum villosum	45cm	Sum/Aut	Grey-green leaves. Green flowers mature white then buff
<b>PHALARIS (Gardener's Garters)</b>			
Phalaris arundinacea 'Feesey's Form'	90cm	Spr to Aut	White leaves with narrow green margin. Pink-tinged in spring (e)
Phalaris arundinacea 'Picta'	100cm	Spr to Aut	White and pale green striped leaves. Invasive (e)
<b>STIPA</b>			
Stipa arundinacea (Pheasant Grass)	90cm	A.Y.R	Fountains of orange-brown leaves. Bright orange & red in autumn (e)
Stipa calamagrostis	90cm	Sum/Aut	Mounds of green foliage. Silvery-white plumes mature to buff-yellow
Stipa gigantea (Giant Oat Grass)	220cm	Sum/Aut	Large clump of narrow green leaves. Large oat-like, golden flowers (e)
Stipa tenuissima	60cm	Sum/Aut	Erect clump of fine, bright green leaves. Silky, arching flowerheads (e)
<b>UNCINIA (Hook Sedge)</b>			
Uncinia rubra	30cm	A.Y.R	Dense tufts of deepest red leaves (e)

<b>BAMBOOS</b>			
<b>PLANT NAME</b>	<b>ULTIMATE HEIGHT</b>	<b>SEASON OF INTEREST</b>	<b>DESCRIPTION (Flower. Foliage)</b>
<b>CHUSQUEA</b>			
Chusquea culeou	5m	A.Y.R	Dark olive-green canes with white nodal sheaths (e)
<b>FARGESIA</b>			
Fargesia murielae 'Bimbo'	150cm	A.Y.R	Thin canes, narrow green leaves (e)
Fargesia murielae 'Jumbo'	350cm	A.Y.R	Bushy habit, larger leaves (e)
Fargesia murielae 'Simba'	250cm	A.Y.R	Cascading habit, thin leaves (e)
Fargesia nitida	300cm	A.Y.R	Fine, light foliage, hanging habit (e)
Fargesia rufa	200cm	A.Y.R	Drooping habit, light green canes sheathed in pink (e)
<b>PHYLLOSTACHYS</b>			
Phyllostachys aurea	8m	A.Y.R	Light green/yellow clumps of dense foliage (e)
Phyllostachys aureosulcata 'Aureocaulis'	7m	A.Y.R	Yellow canes, streaked green (e)
Phyllostachys aureosulcata 'Spectabilis'	7m	A.Y.R	Green canes, streaked yellow (e)
Phyllostachys bissetii	7m	A.Y.R	Shining, dark green leaves and canes (e)
Phyllostachys nigra	7m	A.Y.R	Green stems turn black (e)
Phyllostachys nigra 'Boryana'	15m	A.Y.R	Thick, dark green stems, speckled brown (e)
Phyllostachys vivax	15m	A.Y.R	Mid-green canes (e)
Phyllostachys vivax 'Aureocaulis'	15m	A.Y.R	Yellow canes, streaked green at nodes (e)
<b>PLEIOBLASTUS</b>			
Pleioblastus auricoma (syn. viridistriatus)	100cm	A.Y.R	Gold and green variegated foliage (e)
Pleioblastus distichus	50cm	A.Y.R	Small, bright green leaves (e)
Pleioblastus humilis var. pumilis	50cm	A.Y.R	Neat large green leaves. Fast spreading (e)
Pleioblastus pygmaeus	40cm	A.Y.R	Short , fresh green growth (e)
Pleioblastus simonii	50cm	A.Y.R	Olive green stems. Good for screening (e)
Pleioblastus variegatus (syn. fortunei)	100cm	A.Y.R	Green and cream variegated leaves (e)
Pleioblastus viridistratus 'Vagans'	100cm	A.Y.R	Mid-green leaves, edged white-beige in winter (e)
<b>PSEUDOSASA</b>			
Pseudosasa japonica (Arrow Bamboo)	5m	A.Y.R	Very broad and long glossy leaves. Arches with age (e)
Pseudosasa japonica 'Tsutsumiana'	4m	A.Y.R	Strong canes branch at the top with large green leaves (e)
<b>SASA</b>			
Sasa palmata	75cm	A.Y.R	Wide green leaves, canes also green. Invasive (e)
Sasa tessellata	150cm	A.Y.R	Large, dark green leaves (e)
Sasa tsuboiana	150cm	A.Y.R	Uniform habit, dark green leaves (e)
Sasa veitchii	150cm	A.Y.R	Dark green leaves develop creamy-white edge (e)
